It is open to kids between 10 and 15 years of age, giving them the opportunity to get out on the water and fish in a boat with adults. Our goal is to get them out there to have fun, time with an adult mentor, and teach them what we can about the joys of fishing (how to bait a hook, take a fish off the line, tie a knot to keep the hook on, some of the rules of fishing, etc.). Hopefully catching fish at the same time. We try to get two adults with two kids out there in one boat.
